Our packages are just the routes that we have found to be the most popular but if you would prefer to choose a different destination or activity we can quote you a price for that as well. With all our packages you are met at the take off destination by the Captain of the jet who will then take your passports to passport control whilst you relax, from there you are escorted to your own private corporate jet and your flight then begins. You arrive at the destination of your choice and are met by our staff and immediately given the keys to your hotel avoiding the usual crush at checking in to your hotel. Your chauffeur then glides you to your hotel and you immediately set off for your hotel room. You're met in your room by the manager of the hotel where you'll share a cocktail drink and are officially signed in and welcomed by the hotel. Any activity you wish for or require can be made to happen by a phone call from our staff. From there the beginning of your trip truly begins and you can explore the fruits of your destination in comfort and total luxury.
